BSM is committed to the mission of "Sowing God's Word to Everyone in Every Way" making available God's Word in languages people can understand, in formats people can appreciate and at a price people can afford. BSM's mission is carried out by way of four major ministries: **Bible translation, Bible publication, Bible distribution and Bible engagement.**

This year, BSM plans to highlight the ministry of Bible literacy and Scripture engagement. The purpose of this focus is to help inculcate a discipline and desire for Bible reading amongst Malaysian Christians. To help realize this noble goal, BSM has undertaken a number of Bible literacy and Scripture engagement projects and programmes as follows:

1 - Project Mama

Project Mission Mama is planned as a multi-year Bible literacy and engagement project for women

and children based on the initiative of the Women's World Day of Prayer 2012. The project seeks to engage 5,000 women and children living in Malaysia with a focus on building wholesome Christian lives and healthy homes based on strong and sound Christian principles and values. To realize the objectives, BSM has set up a Bible Resource Centre at the Bible House. Resources used to consolidate the project include *Mission: Literacy Curriculum Kit* (published by American Bible Society), *Children Bible Explorer Series: Gospel 1 & 2* (a multi-media resource published by Pristine World), and the *Book of Hope* gospel materials for children and teenagers (published by One Hope).

BSM has organized and will continue to organize Scripture engagement workshops and seminars to engage and equip local church Christian educators in children evangelism, outreach and follow-up. It partners with local churches, mission organizations, and ministry groups in both East and West Malaysia to organize Bible literacy and Scripture engagement projects and programmes. It seeks to link up with Women Societies and local churches to organize women and children's literacy programmes and Scripture engagement activities in Sabah, Sarawak and Peninsula Malaysia to achieve the WWDP goals and objectives.

To assist bi-lingual Bible readers, BSM provides Bible Diglots in different formats and prices. The diglots available include ESV-RCUV, NIV-CUV, KJV-CUV, etc. BSM also plans to publish Bible diglots in BM and an indigenous language. By so doing, BSM helps to widen the use of the national language while enabling the indigenous people to preserve and use their mother tongues. The Bible diglots that we plan to publish include the BM-Semai Four Gospels, BM-Penan and BM-Murut Timugon NT, and BM-Iban, BM-Dusun and BM-Rungus Bibles. Last year, in partnership with Wycliffe / SIL, BSM printed and distributed 6,000 copies of the BM-Semai Gospel of Luke.

4 - National Bible Reading Project

The Bible Society of Malaysia plans to organize a national Bible reading programme for Christians in Malaysia in partnership with local churches and Bible agencies. The purpose of the national Bible reading programme is to inculcate a discipline and passion for the reading and studying of God's Word, starting with an online Bible reading e-project for children under 12 years old. We invite you to join us in creating a Bible reading culture amongst Christians in Malaysia.

5 - Bible Reading Plans

BSM has produced and distributed a comprehensive Bible reading plan for Christians. If your church likes to use BSM's Bible reading plan to encourage your members to read the Bible in one-year or two-year or three-year period, please let us know and we can supply them to your church at no cost.

Alternatively, you can access You Version and use the Bible Reading Plans online. At You Version, there are many Bible reading plans available in both English and Chinese. Some plans take one year to complete while others for specific people groups take a shorter period. For example, ACTS Prayer Bible Reading Plan (as listed on page 3 for your reference) takes 52 days to complete. ■

Bible Gallery

认识圣经的历史

A VISUAL JOURNEY THROUGH BIBLE HISTORY

BSM is in the process of setting up a Bible Gallery at BSM's Bible Resource Centre where twenty pieces of artworks are put up on the walls to guide Bible readers through a visual journey of Bible history. The Visual Journey is based on the book, **How We Got The Bible**, by Clinton E. Arnold, 2008, Zondervan, Grand Rapids, Michigan, USA. The twenty over pieces of artworks in poster format are done by two local Christian artists who volunteered their services without any charge. We acknowledge and appreciate their invaluable gifts. May the Lord bless Brother Bernard Lim and his partner Brother Kelvin Boak richly for their invaluable contributions to the Bible Gallery.

The History of the Bible: A Visual Journey begins with a creative poster on the oldest forms of Bible ever discovered. In the second beautiful artwork, you are shown the principal manuscript behind the Old Testament. This is followed by an artwork on the Dead Sea Scrolls.

As you move along the Visual Journey, you learn about the Old Testament and the Apocrypha. In the sixth poster, you are shown an early parchment text of the New Testament. Then, you

see the first Latin Bible ever translated, followed by a view of the largest and heaviest manuscript of the Bible. You then go on to see how the New Testament is translated into other languages followed by "What is the New Testament".

The Visual Journey leads you to the earliest English translations of the Bible, the Wycliffe Bible - the first complete Bible in English, the Gutenberg published Bible, the Tyndale Bible, The Luther Bible, the Coverdale Bible, the Geneva Bible and the King James Version. Then you are challenged by the impressive "A Forbidden Book Worth Dying For" and "Taking The Bible To The World" followed by a poster on The Bible in International Languages. As the Visual Journey comes towards the end, you encounter the question "Is the Bible Still Accurate After 2,000 Years?" and thereby find faith in the eternal living Word of God.

Before you exit the Visual Journey, you are introduced to the visions, missions, core values and achievement milestones of the International Bible Societies and the Bible Society of Malaysia.

You are welcome to join the Visual Journey as an individual or as a group event. Write in to make an appointment.

M-SEA MISSION & UBS-AAA

UBS has undergone global renewal since the last World Assembly in 2009. The changes firstly involved the downsizing of UBS Translation Consultants (TC) to 12 Global Translation Advisers (GTA) in 2011. Due to this change, BSM has absorbed one UBS-TC (that is, Dr. Daniel See) as BSM-TC with effect from January 2012. The second change involved the dissolution of UBS Area Boards and the formation of Area Hubs in 2012 with Singapore chosen as the Hub for the Asia Pacific Region. Thirdly, UBS national Bible Societies were encouraged to form affinity groupings for mutual consultation and collaboration. As a result, in the Asia region, M-SEA Mission was the first affinity grouping formed in June 2012 and the UBS-AAA was recently formalized in Seoul on 2nd April 2013 based on geographical and cultural similarities. M-SEA was constituted by the nBS from Cambodia, Laos, Vietnam, Thailand, Myanmar, Malaysia, Singapore and Nepal whereas UBS-AAA was made up of the M-SEA BSs and the nBS of Korea, Japan, Hong Kong, Taiwan, Philippines, Indonesia, India, Pakistan, Sri Lanka and Bangladesh. UBS-CSF was another affinity grouping that was formed on the basis of Chinese Scripture interests and needs. ■

ESV-RCUV Diglot Bible/ESV-和合本修订版双语圣经

RM62.00 / RM78.50 / RM95.60

This ESV-RCUV Diglot Bible is the newest bi-lingual Bible jointly produced by BSS and BSM.

ESV (English Standard Version) is the newest literal translation that stands in the classic mainstream of English Bible translations such as William Tyndale's New Testament (1526), King James Version (KJV 1611), English Revised Version (RV 1885), American Standard Version (ASV 1901), Revised Standard Version (RSV 1952 and 1971). In that stream, faithfulness to the text and vigorous pursuit of accuracy were combined with simplicity, beauty, and dignity of expression.

RCUV (Revised Chinese Union Version) is the latest major revision of the popular historic Chinese Union Version (CUV 1919). Completed and launched in 2010 by HKBS, RCUV has updated the archaic language of CUV so that the intended meaning can be better understood. Some texts have been modified in the light of the discovery of the Dead Sea Scrolls while preserving the tone and style of the earlier version. ■

INVITATION: Members of the Bible Society of Malaysia are cordially invited to attend the 28th Annual General Meeting on Saturday 18th May 2013 at BSM. Light refreshment at 4:00 pm followed by AGM at 4:30 pm and fellowship dinner at 6:30 pm at Sweet Inn Restaurant.
